

Connecting local employers with the migrant communities of Perth who are seeking a new opportunity for lifestyle and employment in the Goldfields.

ABOUT THE GMEP

The Goldfields Migrant Employment Project (GMEP) aims to alleviate the labour and skills shortage in the Goldfields region by engaging with migrant communities based in metropolitan areas of WA and assisting employment seekers with access to Goldfields based job opportunities and ancillary settlement support services.

The project aims to promote to metropolitan migrant communities job opportunities and regional living in the Goldfields and assist with the attraction and retention of employees. This will include facilitated engagement between potential employees, employers and the local Goldfields community, to build strong relations to support those moving to the region.

HOW DOES IT WORK?
